Azure Tech Groups Leaders Update

Greetings Kiran,

Hope everyone is having a great 2022. Can you believe we are almost halfway through the year?

With Microsoft Build coming up in a couple of weeks, we know user groups like to meet after to discuss and dive into highlighted topics.

This year Microsoft is inviting user groups to host an "**After Party**" from **May 30th – July 15th**.

Support for hosts:

- MVPs available to support as speakers or co-hosts
- Use of StreamYard to produce your event
- Event amplification through local Microsoft teams and channels
- Listing on the Global After Party website
